Your Honor: Judge Hughes.

David J. Bradley, Clerk of Court

I recently found out that my P.O. BOX 2111, Humble, Texas has been closed because the Post Office claimed that they had no record of me ever having the POST OFFICE BOX 2111 in the First place. I went home came back with a receipt showing I had paid for the PO BOX 2111 thru December, 2010. They immediately apologized and reopened my PO BOX. This is the strangest Thing I have ever heard of in my 65 years. The question now is; did they return any letters to You I did not get?

Sincerely,

Charles Thurston
